

**Lake Anasagunticook Association  
Minutes of Board Meeting June 1, 2016  
at the Canton Town Office**

President Biff Atwater called the meeting to order at 5:28 p.m. A quorum was not initially present, but Elaine Ferland joined us later in the meeting. Others in attendance were Secretary Liz Rothrock; Treasurer Gary Dougherty; Directors Bill Gray, Shawn Henderson and Mike Lara. Mary Atwater was a guest attendee for a short time.

Minutes for the March 27, 2016 board meeting were reviewed and approved by unanimous voice vote on a motion made by Mr. Gray and seconded by Mr. Dougherty.

**Treasurer's Review**

Mr. Dougherty reported there is \$8983.86 in the LAA coffers. He also reported that there are currently 36 members who have paid their dues. This number is less than this time last year.

Action: Send an e-mail to people on the mailing list with just the membership form in it. (LR)

**Committee Reports**

**Lake Smart**

No report.

Action: Send an e-mail to people on the LAA mailing list asking for LakeSmart volunteers. (LR)

**Membership**

It was suggested that a membership drive be held one Saturday. Those in attendance agreed to participate. The date of Saturday, July 16, was selected.

Action: The Membership Committee should determine what should be distributed and the routes to be traveled by the participating board members (by kayak, by car, or on foot). (PB, TK, LR)

Action: Pick up brochures for distribution from Green Acres. (LR)

**Annual Meeting**

The Annual Meeting will be held at the Canton Town Office at 9:30 a.m. (note revised start time) on Saturday, August 13. The meeting will include a Health of the Lake discussion and a speaker from the Chenwonki Foundation about owls (with live owls present).

### **Lake Days**

Lake Days, scheduled for 1 p.m., Saturday, August 20, on the Bussieres' dock, will follow the same model as last year.

Action: The Lake Days Committee should determine what needs to be done and contact LAA board members for assistance.

Action: LAA board members are invited to donate baskets and gifts for the raffle. (All)

### **Website**

Thanks to Ms. Swanick, there is now content on each of the pages on the website.

Action: Board members should review the site and share feedback with Ms. Rothrock. (All)

### **Swimming Lessons**

The swimming lessons are offered by the Town of Hartford. Children in both Canton and Hartford are invited to attend. The lessons generally take place during the first two weeks of July on the Hartford beach. Mr. Dougherty will contact Elizabeth Garcia to confirm they will take place and to offer the LAA's financial assistance.

Action: If the LAA is invited to sponsor the lessons, the LAA will 1) write a check, and 2) help publicize the lessons. (GD, LR)

## **Unfinished Business**

### ***5-Year Planning (5YP) Team Report***

The 5YP team has another meeting and will be releasing a draft for board review sometime this summer.

Action: Mr. Atwater will edit the current draft, then forward it to the committee members for review before disseminating it to the board. (WA, MM, CG, GD, LR)

### ***Photo Contest***

The photo contest "lessons learned" document has been generated. The following negative feedback received by board members was shared: 1) too much time between the end of the contest and the judging; and 2) the blind judging was appreciated, but too many board members were winners.

### ***Memorial Bricks***

Although the members of the Recognition Park Committee were not present, they provided input for the meeting. Both of them felt it might be better to place a plaque or sign in the park, rather than try to use bricks. They are concerned that there is not room for the bricks, they may be too costly, and the project is already behind schedule.

Action: Get estimate on a plaque from a reliable/known vendor. (LR)

Action: Provide names of donors who should be listed. (GD, BA)

Action: The Recognition Park Committee should make a decision on how to proceed, and all proposed the Canton Planning Board should approve changes to the park. (PB, CG, MA)

### ***Heritage Garden Speaker***

The LAA has been invited to co-sponsor a guest speaker with Canton Parks & Trails. Although this was discussed and agreed upon at a LAA Board Meeting last year on June 4, a quorum was not present that day. A vote will need to be taken at the next LAA meeting.\*

### ***Memorial Event/Bonfire***

No update.

Action: Pursue the idea of a bonfire sometime this summer. (MA, CG)

### ***Health of the Lake Talk***

It was decided that this would be offered as part of the annual meeting as has been done previously.

Mr. Lara raised the idea of the LAA using iMapInvasives—a public, online mapping tool for tracking invasives—in the future.

Action: Provide a demo on the iMapInvasives application at the next LAA board meeting. (ML)\*

### ***Thoughts on the VP***

The consensus was to wait for the annual meeting to elect a Vice President.

Action: The Nominating Committee should begin identifying VP nominees and asking them if they are willing to serve. (PB, EB, EF, BG)

### ***Watershed Survey***

Mr. Dougherty is putting together a list of addresses of people in Hartford and Canton who are in the watershed. It is 90% done. The next steps are to do mailing to everyone in the watershed, then arrange for the watershed survey volunteers to be trained.
